2499. SHRI GANESHWAR KUSUM: Will the Minister of WATER RESOUR CES be pleased to state;

(a) what are the reasons for the delay in the completion of Upper Kolab Irriga tion Project in Orissa; and

(b) by when this project is expected to be completed and the irrigation potential of this Project?

THE MINISTER OF STATE OF THE MINISTRY OF TEXTILES AND THE MINISTER OF STATE OF THE MINISTRY OF WATER RESOURCES (SHRI RAM NIWAS MIRDHA): (a) and (b) Due to constraint of resources, the project is targetted for completion in the Eighth Plan to irrigate an area of about 94,000 hectare annually.

Water availability in the country

2500. SHRI D. B. CHANDRE GOWDA: Will the Minister of WATER RESOUR CES be pleased to state:

(a) whether the Secretaries of irrigation 'and groundwater departments from all the States have recently reviewed the water availability situation in the country;

(b) if so, the outcome of the review;

(c) whether any strategy has been evolved for the rabi season in view of the drought situation; and

(d) if so, the details thereof?

THE MINISTER OF STATE OF THE MINISTRY OF TEXTILES AND THE MINISTER OF STATE OF THE MINISTRY OF WATER RESOURCES (SHRI RAM NIWAS MIRDHA); (a) to (d> Secretaries of Irrigation and Ground Water Departments of drought-affected States met recently to review the actions taken by the State Governments on management of water resources in the context of current ye'ar's drought. It was noted that the States had drawn up plans for water budgeting, giving top priority to drinking water re-quirements followed by irrigation uses with due importance for raising fodder crops. Efforts have been stepped up for exploiting ground water The position of storage reservoirs was reported to have improved after August, 1987 and most of the States have plans to sustain Rabi irrigation at almost 1986 level by judicious management of available water.
